

REMARKS

Claims 26-50 are pending. Claims 1-25 have been replaced.

This Supplemental Preliminary Amendment removes a multiple dependency remaining in the claims presented in the Preliminary Amendment filed on August 24, 2006, and makes additional changes in the claims.

It is respectfully requested that the Notification of Insufficient Fees be withdrawn because the reason for the Notification, which is to say a multiple dependency in the claims and 26 rather than 25 total claims, has been obviated by this Supplemental Preliminary Amendment. The undersigned was informed that the Notification would be withdrawn in a telephone conversation on June 12, 2007, with Vonda M. Wallace of the USPTO.

If any questions arise, the undersigned attorney may be telephoned at the number given below.
